## **ACKNOWLEDGEMENT**

I express my deep sense of gratitude to **Mr. Pankaj Singh**, Faculty of Computer Science & Engineering at R.D Engineering College Technical Campus, Ghaziabad,. Whose kindness valuable guidance and timely help encouraged me to complete this volume on a very crucial issue related to the work and who helped me in completing the project and he exchanged his interesting ideas, thoughts and made this project easy and accurate.

I express my thanks to **Prof. Mohd. Vakil , Dean Academic** for extending his support.

I express my thanks to **Dr. Jaideep Kumar**, Head of Computer Science & Engineering Department for kindly intention.

I express my thanks to the authors whose works have been consulted by me during the project.

I would also thank my institution and my faculty members without whom this project would have been a distant reality.

I wish to thank my parents for their undivided support and interest who inspired me and encouraged me to go my own way without whom I would be unable to complete my project .

At last but not the least I want to thank my friends who appreciated me for my work and motivated me and finally to god who made all the things possible.
